Emphasys Software Acquires Quick!Office Commander from Leading Edge Software, Inc.

Miami, FL – August 12, 2009 – Emphasys Software (“Emphasys”) announced today that it has completed the acquisition of Quick!Office Commander and all related assets from Leading Edge Software, Inc. Quick!Office Commander and Quick!Office Commander Back Office offer solutions for managing real estate listings and real estate transactions. Quick!Office Commander is the real estate industry's proven and comprehensive front desk management system while Quick!Office Commander Back Office handles commission and deal management.

“As Emphasys continues its ongoing effort to provide integrated solutions for the real estate industry, the Quick!Office Commander suite of products complement the Emphasys Residential Real Estate family of products extremely well,” said Mike Byrne, Emphasys CEO. He continued, “All of our products are considered essential pieces within the real estate transaction work flow that will, in its continued effort, provide the industry’s first and only seamlessly integrated work flow system for real estate agents and brokers.”

Emphasys welcomes all Quick!Office Commander and Quick!Office Commander Back Office customers to the Emphasys family of clients and products.
